IMAN

SOFTWARE ENGINEER · CREATIVE DEVELOPER · AI INTEGRATION

Port Harcourt, Nigeria | imanwahmed367@gmail.com | iman-chika.vercel.app
GitHub: github.com/Immanuelchika099 | Instagram: @hi_imanw

PROFILE

Software engineering student and independent developer building responsive websites and web applications with a focus on thoughtful UI, reliable interactions, and practical AI integrations. Experienced with React-based interfaces, API-driven features, authentication flows, and deploying projects for real-world use.

TECHNICAL SKILLS

Frontend: HTML5, CSS3, JavaScript (ES6+), React, React Router, responsive design

Backend & data: Node.js, Express.js, REST APIs, Supabase, authentication and CRUD concepts

AI & integrations: AI API integration, third-party APIs, AI-powered application features

Tools: Git, GitHub, Vite, npm, VS Code, Vercel

SELECTED PROJECTS

Evolv — AI-powered growth tracker React · Supabase · AI integration
Building a personal growth web app with AI-assisted conversations, habit tracking, and a focused mobile-first experience.

PR Team — Agency website React · CSS · Framer Motion
Designed and developed a responsive agency website with cinematic presentation, motion details, and a clear service-focused structure.

Luxe Hair — E-commerce storefront React · JavaScript · CSS · Vercel
Built a polished storefront experience with product discovery, cart and account flows, prioritizing responsive layouts and brand presentation.

EXPERIENCE

Independent Developer | 2026–Present
Build and deploy web projects; translate product and brand ideas into responsive interfaces; debug across screen sizes; integrate APIs and backend services; iterate on usability and visual quality.

EDUCATION

Software Engineering — NIIT, Port Harcourt

STRENGTHS

Problem solving · Attention to detail · Component-based development · Responsive UI · Collaboration · Feedback-driven iteration
